Approvals

Food Contact, Environment, Human Health

Our acrylic semifinished products in PMMA complies with the appropriate regulation, COMMISSION DIRECTIVE 90/128/EEC, 2002/95 EEC, 2002/96 EEC and FDA REGULATION 21 CFR § 177.1010 and are manufactured according to the plastic supplier's specifications. Complying with these regulations they do not transfer their constituents to quantities which could endanger human health or bring about an unacceptable change in the composition of the foodstuffs¹.
